

The Church Space:

The Church is a sacred place. It's proper use is for prayer. It is a privilege to be able to enter into the Holy Presence of God and be filled with His glory and power, majesty and honor. It gives a sense of peace.

Our endeavor has always been and will continue to be able to promote, sustain and provide an atmosphere of prayerful reflection to all while in the Church. It becomes incumbent, therefore, on everyone who enters this Holy place to maintain a modest, sober and prayerful attitude at all times.

This House of God is consecrated for worship. After the various services scheduled for the day, the Church becomes a place of prayerful silence and tranquility. People come and visit and spend time with the Lord in the Blessed Sacrament all through the day. It is our home with the Lord.

Hence, it is not proper to talk, or socialize while in this place of prayer. Such activities amount to violation of this sacred space.

It is never admissible for anyone to bring in food or drinks, chewing gum or cellular telephones or other items of distraction in the Church. It is a special place! Please help us to maintain its dignity and sacredness.
